Reason for Closure – Bankruptcy Case Number Dismissed

Dear ,

This is to update you regarding the above referenced file.

The Bankruptcy Court notified us that the bankruptcy case was closed, as the case was dismissed.

Immediately upon receiving the dismissal notification, we contacted the trustee to inquire further about the reason for the dismissal and whether there is any possibility to secure payment from the debtor. The trustee disclosed the debtor did not have any money or assets to pay the necessary bankruptcy costs to continue with their bankruptcy case. Therefore, if the debtor did not have enough money to proceed with their bankruptcy case to discharge all monies owed, then we are certain the debtor does not have any money or assets to satisfy any portion of the outstanding debt owed to . Accordingly, we are unfortunately forward to close our file as uncollectible.

If you have not done so already, please take this opportunity to write off the balance as a bad debt for IRS tax purposes. We appreciate the opportunity to be of service to and look forward to assisting you on future matters.

Very truly yours,
